

Nelson's Moulding and Frame

JANUARY 2017

Thank you for your contribution to the American Cancer Society

In October, Nelson's launched a special length sale to raise money for the American Cancer Society. Our customers gave us the ability to make a nice contribution to help the American Cancer Society. The American Cancer Society helps to find cures through ongoing research. They work hard to provide education in order for people to understand cancer and early warning symptoms to watch out for. Early detection is key in survival rates, the sooner you are able to receive treatment the better the chances of winning the battle.

A super big thanks to the following Frame Shops that participated in the Special Length Sale:

April Sevens Custom Frame of Chicago, IL

Friar Tucks of Boyne City, MI

Merricks Inc. of Marquette, MI

Detroit Custom Framing of Grosse Pt. Woods

Saying Goodbye to Pam Perillo

Nelson's is saying goodbye to a long time friend, Pam Perillo. Pam has been a Sales Representative of Nelson's Moulding and Frame for over 23 years covering the Greater Chicago area. Pam has decided to leave Nelson's as of February 1, 2017.

In January, Travis will once again be representing Nelson's in the Chicago area. An area that he is familiar with as he developed excellent customer accounts in the Greater Chicago area over 23 years ago. He looks forward to meeting new people and getting

reacquainted with old friends.

Travis, President of Nelson's, has been a Sales Representative for Nelson's for over 30 years. He currently covers Southern Michigan and Toledo.

Missouri, Wisconsin, Minnesota, N & S Carolina

To our friends in these states, we are committed to providing you with excellent customer service and representation. Stephanie covered five states; Missouri, Wisconsin, Minnesota, North Carolina and South Carolina. We have been working towards getting Representation for her areas.

Yvonne will be covering Minnesota and Wisconsin. She will be bringing samples around the last week of De-

cember and first week of January. Yvonne works in Advertising, Customer Service and Sales. She currently covers N. Michigan, Ohio, Indiana, Kentucky, Tennessee, and West Virginia.

Travis will be traveling to the Chicago area and Missouri this coming January to show all of the newer collections.

Chai-Hung will be planning on covering North and South Carolina in the Spring. Chai-Hung works with accounting and purchasing and assists in Customer Service.

It is our goal to visit everyone twice a year to ensure that you have our new collections.
