

Nelson's Moulding and Frame

FRAMECONNECTOR™

A new and easy device that allows you to connect wood to wood, metal to metal and/or metal to wood picture frame without the complications of a hinge. Connect 2, 3 or more frames together. Frames can be adjusted forwards, backwards or to any angle you desire. **FrameConnector™** is so easy to install.

S2524 Frameconnector Wood/Metal Bulk Pack (12 Qty.)
