

TAPES-FILLET TAPE™

S1905

A double-sided ultra high bond tape designed to adhere to the backside of mat, wood or metal fillets. The acrylic adhesive will not yellow or dry out. Achieve the maximum bond with Fillet Tape™ versus standard ATG Tape or Silicone glue.

Manufactured in the USA by Specialty Tapes.

Roll: 1/4" x 36 yards.

TIP: Adhesive reaches maximum strength immediately. Burnish after fillet is in exact area of surface.
